NC STATE UNIVERSITY

ELECTRICAL & COMPUTER ENGINEERING

Graduate Conditional Admission

Are you an academically competitive international student interested in pursuing graduate studies in NC State University's Electrical and Computer Engineering (ECE) Department? Do you need additional time and support to strengthen your academic English skills?

Then you may be considered for graduate conditional admission through the NC State University Intensive English Program (IEP).

NC State Rankings

#7
Best value among U.S. public universities
(U.S. News & World Report)

#1
Best college for your money in North Carolina
(Money)

170+
Startups and spinoffs based on NC State research

#2
for research commercialization (among universities without a medical school)

North Carolina State University

NC State University is the largest university in North Carolina with more than 36,000 students from over 120 countries and is home to more than 3,800 international students. Our students and faculty excel in research and entrepreneurship and learn by doing. Located in Raleigh, the capital of North Carolina, NC State supports a thriving and diverse community.

Intensive English Program

The IEP is an English language program serving intermediate through advanced English language learners. Students attend 21-23 hours per week of classes focusing on all academic skills.

Eligibility for Conditional Admission

- Have at least a TOEFL iBT 60 or IELTS 6.0
- Meet all of the Graduate School and the program-specific academic requirements

Fulfill Terms of Conditional Admission

Complete the IEP OR resubmit TOEFL/IELTS scores that meet the ECE minimum scores after at least one semester of study in the IEP.

ECE Programs Offering Conditional Admission

- Electrical Engineering - MS
- Computer Networking - MS
- Electrical Engineering - PhD
- Computer Engineering - MS
- Computer Engineering - PhD
- Electric Power Systems Engineering - MS

Electrical Engineering Masters and PhD Programs

#24
Engineering Graduate Programs
(U.S. News &World Report)

 # 10
Globally in Electrical Engineering
(Shanghai Rankings Global Ranking 2018)

Computer Engineering Masters and PhD Programs

#12
U.S. Engineering Colleges in Number of Degrees Awarded to Foreign Nationals
(ASEE)

 # 14
Total Research Expenditures in Engineering
(National Science Foundation)

- Distinguished faculty include 20 IEEE Fellows and 13 National Science Foundation CAREER award winners
- Over 300 externally funded research projects with over $45M of research funding
